

Sat, framed by chair then window

Sat, framed by chair then window
Head, bowed deep in words
Book, held strongly firmly
Heart, full of love beating strong
Hours, passed in vigil
Life, challenged fighting
Blood, another's is at fault
Hope, never ending
Prayers, offered answered
Life, surrendered by others
Faith, strong unbending
Sleep, welcome troubled
Tomorrow, feared yet welcome
Victory, ours at last
Future, ours to plan and relish
Twilight, our days to share
